Attached: Proclamation

Proclamation

October 17 – 23, 2016

as

Waste Reduction Week in Canada

Summary:

Waste Reduction Week in Canada is supported by a coalition of environmental non-profit and government organizations from the 13 participating provinces/territories, and are asking municipalities, businesses, and schools across Canada to demonstrate their commitment and accomplishments in waste reduction by proclaiming October 17 – 23, 2016 as Waste Reduction Week in Canada.

Waste Reduction Week in Canada provides a platform to recognize the benefits of waste reduction, in hope that a national environmental campaign builds awareness around issues of sustainable and responsible consumption; encourages choice for more environmentally responsible products/services; and promotes actions that divert more waste from disposal and conserve natural resources.

Proclamation Statement:

The Township of Oro-Medonte proclaims October 17 – 23, 2016 as Waste Reduction Week in Canada.
