Re: Waste Reduction Week

Thank you for writing the Municipality of Port Hope with respect to your request regarding "Waste Reduction Week". On behalf of Council, I am happy to support this campaign.

I am pleased to proclaim October 19 – 25, 2020 as "Waste Reduction Week" in the Municipality of Port Hope.

The municipality is committed to waste reduction, resource conservation, and community education for sustainable living. We recognize that losing waste to disposal and as litter are local and global threats to the environment. We will take action to reduce our waste and support the circular economy.

In accordance with policy, this proclamation will be posted on the municipal web page.

Sincerely,

Bob Sanderson, Mayor
